NEW Live Preview for Translators

The screenshot shows a web interface for a translation management system. At the top, there is a navigation bar with a link for "About text formats" and a user account section with "My account" and "Log out" options. Below the navigation bar, a "Preview" button is highlighted with a red rectangle. To the right of the button, there is a "State:" section with four icons and labels: a blue hourglass for "Pending", a yellow triangle for "Translated", a green checkmark for "Reviewed", and a green checkmark for "Accepted".

Below the navigation bar, there is a "Home" button and a search bar. The main content area displays a preview of a translated text node. The title is "Preview of First node revised for German". Below the title, there is a link "Erster Knoten überarbeitet" and a subtitle "Submitted by Anonymous (not verified) on Mon, 03/21/2016 - 02:42". The main text of the preview is "Ich bin ein mächtiger Überschrift" and "Und ich bin ein armer Körper Text. Bitte helfen Sie mir für die Gleichstellung zu kämpfen!".

Full awareness of the resulting appearance before accepting.
